Thanks for playing!

Meet Parker Piano. Isn't he cute? He teaches basic music concepts through songs and interactive play. Press his arms or feet and sing-along to 8 different songs. Parker Piano helped Henry learn how to sing the Itsy Bitsy Spider in perfect pitch. I'd have to set up a hidden camera to prove it though. He still prefers behind the scenes.

I'm giving away one Parker Piano from [Little First Act Discovery](#) so this Musical Learning Pal could be yours!
